Both the Jain Matt and Bara Nagar Santarpan have invested Surplees bearing interest and the greater p cent may be met from such interest. As regards Chennai Kesavaswamy temple, the so called Surplus is only the result of savings and should necessarily be fluctuating. Even as it is the Kanikas have to contribute about Rs 60 annually to meet the fixed charges. It is often found that the temple funds have to be conserved as much as possible to meet the demands of maintenance of a highly ornamental building of intense archeological and historical interest; it appears to me advisable to add the Rs 60 to the amount. There is a Saving of Rs 240 a year under establishment in the statement. A draft is submitted for approval in these lines

Sir,

With reference to Government Proceedings No.2917-8/Muz.F.200-09-6 dated the 29th.May 1912,sanctioning a clerk on Rs.25/- a month(subject to further sanction to be obtained to revision of the scale of expenditure) for attending to the Muzrai work in this District Office, and directing that the cost of the same should be appropriated out of the allotments of expenditure of each of the marginally noted Muzrai Institutions, and requesting me to submit proposals for the revision of the scale of expenditure of those institutions so as to provide for the cost referred to above, I have the honor to state as follows,-

2. The Amildars of the Taluks to which the above mentioned institutions belong, were called upon to submit revised scale of expenditure in pursuance of this Order of Government.

3. The Amildar of Arkalgud Taluk, in connection with the Dharmadarsies of the Arkeshwara at Ramanathpur, has submitted the enclosed revised scale of expenditure. He proposes to allot Rs.60-8-0 out of the Sarkarpoor provision of Rs.1047/- per annum and Rs.4-8-0 out of the existing provision for establishment charges amounting to Rs.166-8-0 for the residual revision in the scale of establishment for conducting the work in the Arkeshwara Temple. Thus Rs.40/- has been allotted out of the annual

Arkalgud Chatram ... Rs 40/-
(Newly added to the Ramanathpur Chatram)
Brahmi Chatram ... Rs 40/-
Belur Temple ... Rs 40/-
Jain Matt at Shravana Belgola Rs 100/-
Baraha Sankarpatna ... Rs 80/-
Total Rs 300/-

& Establishment Charges Rs 37/- a month
included in monthly Jamas

grant for this chattram to meet the pay of the District Office Muzrai clerk to be newly entertained.

4. In order to allot a similar sum from the annual tasdik amount of Sree Chennakesavaswamy temple of Belur, the Amildar of Belur Taluk, after consulting the Dharmadarsis has furnished a revised scale of expenditure, proposing to meet Rs. 20/- out of Nityagattle and Rs. 20/- from Petagattle allowances as now in force in the temple. The scale of expenditure as revised and the report of the Amildar are enclosed for reference.

5. As regards the allotments of Rs 40/- and Rs 40/- out of the existing provisions for the Bisle Sreeranadevaru Gudde and Barahazar santarpane at Subramanya, respectively, the Amildar of the Manjerabad Taluk has made a report to the effect that out of the annual savings of Rs 240/- under the establishment charges sanctioned for the Bisle Gudde as shown in the margin, Rs 40/- can be provided. As regards the allotment of Rs 80/- supra, the Amildar expresses the opinion that in course of time plague restrictions are likely to be lessened, when the Subramanya Jatre may regain its former importance and attract a larger number of pilgrims, the cost of the santarpane for 20 days may then require Rs 4000/- In view of the above consideration I propose that this sum of Rs 80/- may also be met from the savings under the establishment charges of the Bisle Sreeranadevaru santarpanam mentioned above.

* Remarks on account of Establishment Charges Rs 37/- a month
Expenditure actually incurred monthly for Establishment
Monthly Savings — 20
Annually — Rs 240/-

6. Lastly, concerning the sum of Rs 100/- to be allotted from the existing scale of expenditure of the Sringeri Belaga Mutt, the Amildar of Chikmagalur Taluk has submitted a report after consulting the Swami. It may be observed from that report that no savings could be expected from Establishment charges, and that unless the establishment is reduced, it may not be possible to effect savings and that as the latter question is one of futurity, the only means to allot Rs 100/- annually is from the general savings of the Mutt funds which have swelled to a large sum. The report of the Amildar and

3

its enclosures are enclosed for reference.

7. The above proposals of the several Amildars appear quite reasonable and they may be kindly sanctioned at an early date as the entire provision of Rs.300/- per annum is made available for the pay of the clerk already sanctioned, so as to enable me to entertain the clerk to attend to the Muzrai work of the District which is very heavy and has long suffered for want of a Muzrai clerk in this Office.

8. The reports of the several Amildars herein enclosed may be kindly be returned when done with.

I have the honor to be,

Sir,

Your most obedient servant.

Sir,

With reference to your letter No.2020/Muz.125-12-2 dated 14th.May 1913,calling for further particulars concerning the source from which the pay of the clerk on Rs.25/-per mensem sanctioned in Government Proceedings No.2917-8/Muz.F.265-09-6 dated 29th.May 1912 for Muzrai work in the Hassan District Office can be met,I have the honor to state as follows:-

1. As regards the observation made concerning item No.1 in your letter under reply, pertaining to "Gograss" in the Belur temple, the Amildar of Belur Taluk has reported that the amount of Rs.13-13-0,is not being utilised towards the cost of burning - "Nandadeepa" and that amount is being credited to Muzrai Funds; that out of Rs.44-10-0 provided monthly for "Paditara" charges, Rs. Rs.20-0-0 is fixed for lighting charges and out of this item one "Nandadeepa" is being maintained.

2. As regards ~~the~~ item No.2 the Amildar of Belur Taluk has ~~---~~ agreed to the fact that it is not possible to spare any sum out of the Sandal-wood allowance.He has now stated that as it is ~~extremely~~ difficult to make any reduction in the small items of sanctioned expenditure so as to provide Rs.40/- annually towards the pay of the clerk, ~~he has reported~~ and that it is only possible to meet the said cost of Rs.40/- from the annual income of the temple.

2. Correspondence ending with letter No 27, dated 25th July 1913, from the Deputy Commissioner, Hassan District, submitting proposals for the revision of the scale of expenditure in the institutions mentioned above and stating that the amount noted against the Barahazar Santarpane allotment may be debited to the annual savings effected from the establishment charges of the Sri Bisle Rama Devaru Chattram instead of to the Santarpane allotment as in case the plague restrictions are relaxed, there would be a large influx of pilgrims, and that the sums to be debited to the Jain Matt of Sravanabelagola and Sri Channakesavaswami temple at Belur may be met from the general savings of the institutions

No. 542-4—MUZ. 125-12-4, DATED BANGALORE, 15TH AUGUST 1913.

ORDER THEREON.—The Barahazar Santarpane Fund has invested surplus and the interest accruing can well bear the quota of cost debited against it. As regards the Jain Matt at Sravanabelagola and the Sri Channakesavaswami temple at Belur, it is reported that it is difficult to make any reduction in the sanctioned expenditure and that the amounts debited against these institutions may be met from their annual savings. The Deputy Commissioner's recommendation in this respect is sanctioned.

2. The revised scales of expenditure in the remaining two institutions (Chattram at Ramnathpur and Bisle Sri Rama Devaru Chattram) are sanctioned and appended to this order.

3. The Deputy Commissioner is requested to report the entertainment of the clerk sanctioned and the date from which he has been so entertained.
